Dear Business Owner,

We are excited to offer new ways to partner with you for the 2018-19 school year! All monetary donations will directly impact students and teachers by funding projects such as technology upgrades, improved facilities, and classroom resources. We believe that a partnership should be mutually beneficial, so we have created various levels of support, which are described in more detail on the back of this letter. If you have any questions, then please reach out to me via email at edampier@abccolumbia.com. Welcome to the family!
